Program

The program offers an ideal mix of French lessons and French culture, including exposure to cuisine, history and art as well as fashion and cinema. It also offers the unique opportunity to meet and make friends with students from all over Europe, Latin America and Asia, making this a very popular program for students who are looking for a truly international experience. Depending on how intensive you want to make your studies, you can choose from 15 or 20 lessons per week with both options offering sports and cultural activities as well as full and half-day excursions to a variety of places of interest such as Nimes, Avignon and Sete.

Teachers

The teachers are all native French speakers and teach in the local high schools during the school year. They bring a wealth of experience and enthusiasm to the classroom and design each lesson to focus on speaking and listening skills with appropriate attention paid to reading and writing.

Meals

During the week, you will have all breakfasts and dinners in the Course Centre or in local restaurants. If you have chosen the full-board option (\$40 extra per week), you will also have weekday lunches at the Course Centre and a cold packed lunch is provided by the school for the Saturday excursion and for Sunday lunch. If you have chosen the half-board option there are numerous cafes and a super-market across the street from the residence.

Accommodation

Residence: Residence accommodation is provided in the newly renovated Residence Le Clemanceau. It consists of single or double rooms with private baths, fully-equipped kitchenettes and individual telephone lines. The residence is an easy 5 minute walk from the classrooms.

Homestay: If you would prefer to stay with a host family you can choose the homestay option. You will be accommodated by welcoming local families, in a shared room with another student from the program.
