Concealment or Fraud - The Insurer does not provide coverage for the Insured if the Insured has intentionally concealed or misrepresented any material fact or circumstance relating to the policy or claim.

Insurer's Recovery Rights - In the event of a payment under the policy, the Insurer is entitled to all rights of recovery that the Insured, or the person to whom payment was made, has against another. The Insured must sign and deliver to the Insurer any legal papers relating to that recovery, do whatever is necessary to help the Insurer exercise those rights, and do nothing after the loss to harm the Insurer's rights. When an Insured has been paid benefits under the policy but also recovers from another policy, the amount recovered from the other policy shall be held in trust for the Insurer by the Insured and reimbursed to the Insurer the extent of the Insurer's payment. This provision does not apply in North Carolina.

Legal Actions - No one may sue for benefits less than 60 days after due proof of loss is submitted, nor more than 3 years (or the minimum period of time permitted by state law, if greater) after the date claim forms are due.

Payment of Premium - Coverage is not effective unless all premium due has been paid to Travel Guard prior to a date of loss or insured occurrence.

Termination of the Policy - Termination of the policy will not affect a claim for loss which occurs while the policy is in force.

Transfer of Coverage - Coverage under the policy cannot be transferred by the Insured to anyone.
